

MATERIAL SAFETY DATA SHEET

Spa Diggity Dog DermaDrops

Topical Skin Formula for Dogs

OVERVIEW: DermaDrops are made with 100% natural ingredients, including neem oil (cold-pressed from wild-crafted sustainably harvested seeds of the *Azadirachita indica* tree so it contains no solvents), distilled essential oils of lavender, lemongrass and cedarwood, and soothing carrier oils of sesame, olive and jojoba and karanja. All ingredients are classified as GRAS (generally recognized as safe).

Active Ingredient: Neem Oil

Inert Ingredients: Sesame Oil, Olive Oil, Jojoba, Karanja Oil, Vitamin E Oil

Also contains: Essential oils of Lavender, Lemongrass and Cedarwood

Active Ingredient Manufactured From: *Azadirachta indica*

CAS #: Not applicable

SECTION 1 – HAZARDS IDENTIFICATION

Neem oil is EPA-classified as GRAS (generally recognized as safe). No label precautions required. LD 50 exceeds 7500 mg/kg.

Essential oils of any kind can be dangerous for cats. This product should only be used on dogs, horses or people.

SECTION 2 – FIRST AID MEASURES

May cause slight irritation to eyes, throat or skin in cases of chronic or over-exposure

- Eyes: flush with plenty of water. Call physician if irritation persists.
- Skin: Wash thoroughly with soap and water if irritation occurs.
- Throat: If inhaled in large quantities, neem spray may cause short-term irritation. Drink water or other liquid and call a physician if irritation persists.

SECTION 3 – FIRE/EXPLOSION HAZARD DATA

No known hazards at anticipated dilution. Use dry chemical, carbon dioxide, alcohol or polymer foam to extinguish fire.

SECTION 4 – ACCIDENTIAL RELEASE MEASURES

No known hazards. Avoid run-off into storm sewers and ditches which lead to waterways.

SECTION 5 – EXPOSURE CONTROL/PERSONAL PROTECTION

No known exposure limits

SECTION 6 – PHYSICAL AND CHEMICAL PROPERTIES

- Brown to pale yellow oil with characteristic odor and taste

SECTION 7 – ECOLOGICAL INFORMATION

Do not apply to water or to areas where surface water is present. Do not contaminate water by cleaning equipment and disposing of water. This product is toxic to bees exposed directly to it.

SECTION 8 – DISPOSAL CONSIDERATIONS

No known hazards.

SECTION 9 – TRANSPORTATION INFORMATION

No known hazards or restrictions

SECTION 10 – DISCLAIMER

The information presented herein is accurate to the best of our knowledge. However, neither Neem Tree Farms nor any of its related entities assume any liability whatsoever for the accuracy or completeness of the information contained herein. Final determination of suitability of any material is the sole responsibility of the user.
